SUBJECT: Adjustment to project 17-2014-058 (Concord Rd.)

Dear TDOT,

The Knoxville Regional TPO requests concurrence by TDOT to adjust the FY 2017-2020 TIP concerning the following project:

Adjustment 17-2014-058 (Concord Rd.) - Adjust project by updating termini, length, and map to include the addition of the southbound right turn lane. The revised termini are "Concord Rd (SR-332) from north of Turkey Creek Rd. to Northshore Dr." and revised length is 0.93 miles.

We are requesting an adjustment because this modification is both (1) a minor change in project description/termini that is for clarification and does not change the project scope, and (2) a minor change in project description that does not change the air quality conformity finding in maintenance and/or non-attainment areas per the August 2013 *Definition and Need for Amendments/Administrative Adjustments to the STIP/TIP MOA* between TDOT and the KRTPO.

This adjustment has been incorporated into our FY 2017-2020 TIP. The project page and expenditure summary sheets are included with this letter. If you have any questions please contact me at (865) 215-3825.

Sincerely,

A handwritten signature in blue ink that reads "Elizabeth H. Watkins".
